is ever wasted!

# AUGUST 2016 - AGENDA

**AUGUST 11**

## **How does the PTO contribute to the school and what do they do with our money?**

- Beyond the fun and all the events the PTO supports the school with many tasks to ease the burden of teachers and staff.
- The Library was made possible by the fundraising efforts of the PTO and our parents who graciously contribute to our events. Those dollars turned into books, shelving, carts, and more that you see in the library.
- The primary playground Gazebo and play equipment
- Contributed to the grass on the playground
- Water bottle refilling stations
- Stage, movie screen and bleachers
- Building A and B parent work areas
- Help the nurse when uniforms are needed
- Funds various other purchases for the school throughout the year
- Even the little things, like a new coffeemaker for the Teachers. Happy teachers make happy students.

## **What's Next?**

- A refrigerator
- The playground – benches and construction signs have arrived. Now the real work begins. There have been many questions regarding the middle school/kinder playground. The Administration is working on a plan to tackle the dirt and beating sun. More to come from the school.
- Our new website - We recognize it is outdated and we are working with the school to improve the site and develop a place that parents can go to see all opportunities and more. Stay Tuned!

*How beautiful a day can be when kindness touches it!*
